Other possibilities for service work include being a hotline volunteer, being on the 12<sup>th</sup> Step list, writing newsletter articles, and the list goes on!

## In Loving Memory of Fran Thomas

Fran Thomas, well-known to many in the AA fellowship, moved on to that first step hall in heaven early on Friday, September 18th.

Fran was 99 years old and for 54 of those years, Fran was sober. She was a sponsor to countless women and provided guidance to many men. She was a force to be reckoned with but always with a soul that was loving and kind. A fierce advocate for recovery, she obtained her counseling credentials at Seattle U and worked at Lakeside Milam as an aftercare counselor.

While she got sober in the Southend of King County, when she moved to Bellevue, Fran's home group was Bellevue Group on Monday nights. She also attended the weekly Bel-East Luncheon Group and forever her heart was with meetings at the Alano Club where she always made time for newcomers.

Her family has asked that anyone who would like to, please join them in celebrating Fran on
