LIVE AT PINE LAKE SPEAKER MEETING

*Hope.
Fellowship.
Recovery.*

*Let's keep
this tradition
alive!*

For more than 3 decades, our speaker meeting has brought in circuit speakers from all over the country offering hope, fellowship and a message of recovery to our community.

For the past couple of years, attendance has been low and we need community support to continue.

This is an expensive meeting to run because of the cost of bringing in our circuit speakers. With attendance low, donations are low and our finances are low.

YOUR ATTENDANCE MATTERS – YOUR SUPPORT MATTERS
